B98 AIR

self-loading rapid-fire or match air pistol

The match self-loading five-shot air pistol model AERON B98-AIR is intended both for sports shooting and for competition shooting complying with ISSF regulations. It can be used either as a single shot or a five shot rapid-fire weapon.

The high technical standard with the precision LOTHAR WALTHER company barrel coupled with new compensator design and a lot of variable elements make it possible to meet all individual requirements of the shooter.

Precision compensator for the ultimate performance on LOTHAR WALTHER barrel.

Adjustable trigger stop, weight, length and tilt

5-shot cartridge provides extremely short loading times.

Micrometer sight is adjustable in height and lateral directions.
